VISIT MARS

 INTERGALACTIC SPACE AGENCY

SHOWING THE WAY THROUGH THE MILKY WAY!

Begin Your Brochure Here

Hint: Use your Space Notes to organize and add your information about your planet or star here.

Hint: Add pictures that will make people want to visit your planet! Also, add captions to describe the picture or graphic you added.

Remember you are adding information about your planet or star and convincing people to visit!

Hint: This would be a good spot for another picture!
