

The CRS Fair Trade Chocolate Program

The CRS Fair Trade Chocolate Program offers you a way to buy and sell great chocolate and make life better for cocoa farmers. How great is that? Here are four ways you can make the world a sweeter place.

1

Eat Fair Trade Chocolate.
Lots of it. Yum!

2

Give Fair Trade Chocolate as a gift.
Give Divine Fair Trade chocolate to family, friends or sweethearts at Valentine's Day, Easter, Christmas, or for no reason at all!

3

Raise Money Right: Sell Fair Trade Chocolate
Organize a Fair Trade chocolate sale in your school, parish, office or community as a fundraiser. Be sure to include plenty of educational resources so you can raise awareness about Fair Trade while you are raising funds for your worthy cause.

4

Bring Fair Trade Chocolate to a store near you.
Get together with everyone else you know who loves Divine Fair Trade chocolate and ask the managers of stores in your community to carry it. Use the Make the World Sweeter petition to drum up support.
